

COPD Support Ireland

Singstrong 20-21

A.Menarini Pharmaceuticals Ireland Ltd provided funding to the Sing Strong programme, which provides singing and breathing classes around Ireland led by professional vocal coaches. €16,000 was provided by MPIL to help with the operational costs involved.

Singstrong 21-22

An amount of €3,120 was also donated for the provision of on-line Sing Strong classes aimed primarily at new members. The project ran for 26 weeks with 2 classes per week.

A project grant of €4,300 was donated to COPD Support Ireland, to cover the cost of reprinting 5,000 COPD Inhaler posters. These posters are distributed by COPD Support Ireland and A. Menarini Ireland by the COPD field force to healthcare professionals, to help simplify the treatment options available to them in the therapeutic area of COPD.

MPIL also provided sponsorship of €7,500 to help run the World COPD day virtual conference on November 13th, 2021, based on the theme Healthy Lungs, Never More Important. In association with COPD Support Ireland and several other pharmaceutical and healthcare companies, MPIL supported costs associated with holding the event, including advertising, webinar costs, studio hire and administrative costs.

Arthritis Ireland

MPIL donated €4,000 to support the build costs associated with developing the website of Arthritis Ireland.

Irish Heart Foundation

A donation of €989 was made to the Irish Heart Foundation's annual fundraiser, the Virtual Love Run. On February 12th, 2021, the Menarini team around the country walked or ran to support this event.

Irish Cancer Society

MPIL donated €1,220 to the Irish Cancer Society which was raised by hosting a virtual coffee morning for Menarini staff in support of the Society's annual Daffodil Day fundraiser.
