

### **COPD Support Ireland**

A.Menarini Pharmaceuticals Ireland Ltd provided a contribution of €14,900 to COPD Support Ireland to launch 18 new COPD Support groups in Ireland.

A contribution of €14,000 was made to COPD Support Ireland to contribute to the cost of World COPD Days 2022 and 2023.

Significant indirect support of €4,900 was made to COPD Support Ireland for the printing of inhaler posters for Healthcare Professionals.

Non-monetary support was also made for facilitation of distribution of the COPD posters.

### **Asthma Society of Ireland**

A contribution of €13,000 was made to the Asthma Society of Ireland in support of their 2023 Hayfever campaign. The campaign's aims were to support patients with asthma and hayfever and to educate them about best practice for managing hayfever and the symptoms associated with hayfever, patients will be educated about the link between uncontrolled hayfever and asthma attack.

### **Diabetes Federation of Ireland**

A first installment contribution of €11,339 was made to The Diabetes Federation of Ireland requesting A.Menarini Pharmaceuticals Ireland Ltd to design, update and print 50,000 of its "Living Well with Type 2 Diabetes" booklets. The booklet is a 40 page information booklet which will be given to patients diagnosed with Type 2 Diabetes. The booklet will be circulated nationally via GP Practices, HSE ECC Community Hubs, Hospital Diabetes Clinics and via Diabetes Ireland Care Centres. The booklet will also be included in Diabetes Ireland Type 2 Diabetes Information Packs posted to patients who contact its helpline.
